How your policy works

Your Tower Boat Insurance – Comprehensive cover consists of two documents: this policy wording and the certificate of insurance.

Make sure you read your policy wording and the certificate of insurance so you understand the cover we're providing and what your obligations are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

There are limits and exclusions throughout this policy wording and on your certificate of insurance that will apply to this cover.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on 0800 950 145 or at team@trademeinsurance.co.nz.

Words with special meaning

In this policy some words have a special meaning, for example, 'loss'. You can find out what all of those words are and what they mean in the *Glossary* on page 48.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on **0800 950 145** or at **team@trademeinsurance.co.nz**.

What your cover includes

✓ What we include

We cover the following when shown on your certificate of insurance:

1. your boat
2. any recreational equipment if you have selected the optional benefit *Recreational equipment on page 18*
3. any boat trailer if you have selected the optional benefit *Boat trailer on page 17*.

We also cover any fixtures and chattels purchased for and used on board your boat that are not otherwise insured. These are included in your boat sum insured.

✗ What we do not include

Your boat does not include:

1. any recreational equipment, other than the cover provided by the optional benefit *Recreational equipment on page 18*
2. your boat trailer, unless you have selected this optional benefit *Boat trailer on page 17*
3. any modifications from the maker's standard specifications for your boat unless we've agreed to this and it is noted on your certificate of insurance
4. any cover for your boat trailer tyres, unless the loss was malicious or it occurs at the same time as other loss to your boat trailer and we've accepted your claim
5. any personal items belonging to you, your family or any passengers on your boat.

What your boat can be used for

Your boat is covered for loss only while it is being used for social, domestic or recreational purposes within New Zealand's geographical limits.

Your boat is also covered while it is being used for volunteer marine rescue or first response.

Special terms for certain types of boat

These special terms, conditions, exclusions and excesses apply for all trailercraft, jet skis, and moored craft.

1. Trailercraft:
 - a. Submersion

We'll cover you for loss arising from submersion when your boat is left unattended while moored or at anchor.

Limits

We'll cover you for submersion as long as you, or the person who is in control of your boat with your permission at the time, physically checks it at least once every 24 hours while it's moored or anchored.

If we accept your claim for loss arising from submersion while moored or at anchor your standard excess applies provided you meet both the following requirements:

- i. your boat has an automatic and operational bilge pumping device installed
- ii. your boat has a self-draining cockpit, adequate storm covers and backdrops in place.

If you, or the person who is in control of your boat with your permission at the time, don't meet these requirements, you must pay an excess of the greater of \$500 or 10% of the Section 1 sum insured. instead of your standard excess.

- b. Theft excess

An additional excess of \$1,000 applies when all of the following occur:

- i. your boat suffers a total loss after being stolen while on its trailer
- ii. there are no visible signs of violent and forcible entry to its place of storage
- iii. your trailer is not fitted with a recognised anti-theft device (not being any combination of padlocks, chains and cables).

2. Jet Skis

a. Water ingress

An additional excess of \$5,000 applies when water ingress causes loss to your boat motor or electrical components but there has been no impact with a solid object causing a break in the hull. By water ingress, we mean water getting into the hull without there being a break in the hull. The seat detaching from the hull isn't a break in the hull.

b. Theft excess

An additional excess of \$1,000 applies when all of the following occur:

- i. your boat suffers a total loss after being stolen while on its trailer
- ii. there are no visible signs of violent and forcible entry to its place of storage
- iii. your trailer is not fitted with a recognised anti-theft device (not being any combination of padlocks, chains and cables).

3. Moored boats

a. Transit

We cover land transit of professionally built boats that are constructed of fibreglass, steel or aluminium materials. Your boat must be loaded, transported and unloaded by professional, specialist boat haulage operators.

Limits

An excess of the greater of \$1,000 or 1% of the Section 1 sum insured is payable instead of your standard excess.

b. Slipping, cradling and launching

We cover your boat during occasional slipping, cradling and launching while it is undergoing maintenance and repair.

c. Submersion

We'll cover you for loss arising from submersion when your boat is moored or at anchor at the situation specified on your certificate of insurance.

We'll also cover you for loss arising from submersion when

your boat is left unattended while moored or at anchor away from your home mooring or anchorage.

Limits

We'll cover you for submersion as long as you, or the person in control of your boat with your permission at the time, physically checks it at least once every 24 hours while it's moored away from your home mooring or anchorage

If we accept your claim for loss arising from submersion while moored or at anchor anywhere, your standard excess applies provided you meet both the following requirements:

- i. your boat has an automatic and operational bilge pumping device installed
- ii. your boat has a self-draining cockpit, adequate storm covers and backdrops in place.

If you, or the person in control of your boat with your permission at the time don't meet these requirements, you must pay an excess of the greater of \$500 or 10% of the Section 1 sum insured.

Who can be in control of your boat

We provide cover for any person who is in control of your boat with your permission.

You must tell us if any person covered by this policy is charged with any criminal offences. Refer to the section *You have certain responsibilities* on page 35 for full details.

We do not cover you if you have other insurance

This policy does not cover any loss or liability if you're covered for that same loss or liability to any extent under a policy with another insurer. We'll not contribute towards a claim under any other policy with another insurer.

Section 1: What your boat is insured for

Comprehensive cover

Loss that happens to your boat, on land, on water, in storage or on its own trailer.

Loss means sudden and accidental physical loss or sudden and accidental physical damage occurring during the period of insurance within New Zealand's geographical limits.

There are limits and exclusions throughout this policy wording and on your certificate of insurance that will apply to this cover.

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 950 145 and we'll explain it to you.

You have other benefits under Section 1

Your policy also covers you for the benefits listed below.

The most we'll pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is included within your boat market value or sum insured and is not in addition to it.

We have detailed any specific exclusions under each automatic benefit.

The exclusions in the *What you're not covered for* on page 26 also apply.

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 950 145 and we'll explain it to you.

Emergency equipment restoration

We'll contribute to either the replenishment, replacement or re-packing of emergency equipment used by you following a loss to your boat and we've accepted your claim.

We pay this benefit in addition to your boat's market value or sum insured.

Limits

We'll pay:

1. up to \$1,500 for the replenishing or refilling of fire extinguishers and the replacement of safety flares
2. up to \$500 to replace the battery within your EPIRB (or similar emergency beacon) per EPIRB
3. reasonable costs for the repacking of your life raft.

Emergency rescue and emergency repair costs

We'll reimburse you for the following reasonable costs you have incurred following a loss to your boat and we've accepted your claim:

1. To rescue you, your passengers, and your pets.
2. To remove your boat to the nearest repairer or place of safety.
3. To make essential repairs to your boat so it can get to a repairer.
4. To return your boat to you after it has been repaired or recovered, or for you to travel to collect it from the repairer.

We pay this benefit in addition to your boat's market value or sum insured.

Limits

We'll pay up to \$25,000 for any one event for rescue, removal and emergency repairs.

We'll pay up to \$2,000 to return your boat to you.

Keys and locks lost or stolen

We'll pay to replace your boat remote, keys, entry card or key codes and replace or re-code the locks if during the period of insurance:

1. they're lost
2. they're stolen
3. you have reasonable grounds to believe they have been illegally duplicated without your permission, or
4. you have reasonable grounds to believe that the combination number or electronic key codes may have become known to someone else without your permission.

Limits

We'll pay reasonable costs up to \$1,000.

Your first claim during the period of insurance will be excess-free and your no claims bonus will be unaffected.

Any additional claims within the same period of insurance will mean you pay your excess and your no claims bonus may be affected.

New boat replacement

We'll replace your boat with a new boat of the same make and model subject to current local availability if, as a result of a loss covered by this policy, your boat becomes a total loss.

Limits

You must have owned your boat from new.

You must have insured your boat with us from new.

The total loss must occur within three years of you purchasing your boat.

If a new replacement boat is not immediately available we'll pay the last listed retail price for that boat.

Exclusions

There is no cover under this benefit for high performance race yachts or race power boats.

No claims bonus

If you're eligible for a no claims bonus, we'll adjust your premium to reflect this.

Your premium may still increase at renewal for other reasons even though you receive a no claims bonus.

One event – one excess

If your boat suffers loss and we've accepted your claim, and we accept a claim from the same event for loss to your domestic vehicle or your house or contents that we also insure, you'll only have to pay one excess. The excess that you pay will be the higher of those excesses.

Recovery and temporary storage costs

We'll pay the reasonable costs to minimise or prevent further loss to your boat following a loss covered by this policy.

This includes but is not limited to:

1. Costs to recover your boat or remove it to safety.
2. The reasonable cost to temporarily store your boat, if required, for up to 14 days.
3. The cost to inspect the hull following an accidental grounding to ascertain the extent of damage.
4. The cost to remove the wreck of your boat when you are legally required to do so.

We pay this benefit in addition to your boat's market value or sum insured.

Limit

We'll pay reasonable costs up to the greater of:

1. \$20,000
2. 50% of the Section 1 sum insured.

Reimburse fishing tournament and yacht racing event entry fees

We'll reimburse you and your passengers for all entry fees you've paid that are not refundable if a claim under this policy means you have to withdraw from a fishing tournament or yacht racing event.

The loss giving rise to that claim must have occurred before the commencement of the fishing tournament or yacht racing event.

We pay this benefit in addition to your boat's market value or sum insured.

No excess applies to this benefit.

Limit

We'll pay up to \$1,000.

Replacement boat cover

We'll temporarily cover any boat you purchase to replace your boat that was previously insured under this policy.

We'll insure the replacement boat from the date of purchase for up to 14 days under the same terms and conditions as we insured your previous boat so long as you paid \$250,000 or less for it.

Limits

We'll cover the replacement boat for the least of:

1. what you paid for it
2. its market value
3. \$250,000.

This cover will only apply to one boat and will not apply if the replacement boat has any other insurance cover.

Social yacht racing

We'll cover your boat while it's being used for social yacht racing.

Cover may be provided for yacht races other than social yacht racing, but only if we've agreed to that cover and it's listed on your certificate of insurance.

Transport and accommodation costs

We'll cover the reasonable travel and accommodation costs for you and those who were in your boat to complete your journey or return home following a loss to your boat covered under this policy.

This benefit also covers your domestic pets.

We'll also pay for you to travel to collect it from the repairer.

We pay this benefit in addition to your boat's market value or sum insured.

Limit

We'll pay reasonable costs up to \$500.

If you have this benefit in any other policy, we'll only pay under one policy.

You can choose optional benefits under Section 1

Cover under this section is optional and these benefits apply only if they are listed on your certificate of insurance.

Boat trailer

If you've chosen this optional benefit, we'll pay for loss to your registered and warranted boat trailer listed on your certificate of insurance.

Limit

The most we'll pay is the least of:

1. the cost of repairs,
2. the current value at the time of the loss, or
3. the sum insured on your certificate of insurance.

Lay-up cover

If you've chosen this optional benefit, we'll provide a premium discount and we'll only pay for loss to your boat that occurs while your boat is laid-up.

This means that there is no cover under any Section of this policy if you use your boat during the lay-up period.

Being laid-up means your boat is stored within the gates, walls or fences of your home location specified on your certificate of

insurance (or at another location if we expressly agree) during the months specified on your certificate of insurance.

This optional benefit also provides cover for your boat while it is at a boat dealer for servicing and maintenance. It's also covered while it's being taken to and from that location, and during a claim.

You can ask us to change the date of the lay-up period by contacting us either by email or phone. Full cover will be restored only if we've agreed to that change and it's listed on your certificate of insurance.

Recreational equipment

If you've chosen this optional benefit, we'll cover loss to your recreational equipment while it's on your boat or in use.

We also cover loss to your recreational equipment if that loss occurs while they are stored at home.

We'll only cover this equipment if it is not covered by any other insurance.

Limit

The most we'll pay is the least of:

1. the repair cost,
2. the current value of the item, or
3. your chosen recreational equipment sum insured listed on your certificate of insurance.

Section 2: Liability protection

This is your third party cover

We'll cover you for your legal liability for claims made against you for accidental physical property damage and accidental bodily injury occurring during the period of insurance within New Zealand's geographical limits that arise from either your boat or trailer.

We'll cover the liability of any other person using your boat with your permission so long as that person:

1. complies with the terms and conditions of this policy
2. was not insured for legal liability under another policy.

You also have cover under this Section for your liability for accidental physical property damage and accidental bodily injury when using any boat not owned by you that you are using with that owner's permission. This clause does not provide cover for any damage to that boat.

Limits

We'll pay up to \$5,000,000 for liability during the period of insurance. The following sub-limits apply:

1. \$100,000 per event for bodily injury
2. \$500,000 for liability arising from the use of an amphibious craft driving on land for more than 500 metres in connection with launching or landing your amphibious craft.
3. all other reasonable costs and expenses incurred by you with our approval in defending claims under this cover. This does not include any legal costs or expenses relating to any criminal, maritime or traffic proceedings.

There are further limits and exclusions throughout this policy wording and on your certificate of insurance that will apply to this cover.

Reparation

We'll cover you for your legal liability to pay reparation to a victim who has suffered accidental physical property damage

or accidental bodily injury as a result of you committing an offence during the period of insurance within New Zealand's geographical limits that arises from either your boat or trailer.

We'll also cover any other person using your boat with your permission so long as that person:

1. complies with the terms and conditions of this policy
2. was not insured for legal liability under another policy.

In order for there to be cover under this benefit:

1. you must tell us immediately if you or any other person entitled to cover under this benefit is charged with any offence in connection with your boat.
2. we must give our written approval before any offer of reparation is made.

Limits

We will pay up to \$1,000,000 for reparation per period of insurance.

Exclusions

There is no cover under this benefit for:

1. defence costs, court costs, legal expenses, levies
2. fines, penalties, damages including punitive, aggravated or exemplary damages.

Defence Costs

We'll cover you for your reasonable and necessarily incurred defence costs if you're charged with manslaughter or charged under Section 65 of the Maritime Transport Act 1994 (or any amendment or replacement Act) during the period of insurance within New Zealand's geographical limits in connection with your boat.

We'll cover any other person using your boat with your permission so long as that person:

1. complies with the terms and conditions of this policy
2. was not insured for legal liability under another policy.

In order for there to be cover under this benefit:

1. you must tell us immediately if you or any other person entitled to cover under this benefit is charged with manslaughter or is

charged with an offence under Section 65 of the Maritime Transport Act 1994 in connection with your boat.

2. we must give our written approval before any defence costs are incurred.

You have other benefits under Section 2

Your policy also covers you for the benefits listed below.

The most we'll pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is included within the Liability protection sum insured and is not in addition to it.

We have detailed any specific exclusions under each benefit.

Please note: the exclusions in the *What you're not covered on page 26* also apply.

Discharge of polluting substances

We'll cover you for your legal liability for property damage and clean-up costs caused by pollution from a sudden and accidental discharge, release or escape of fuel, lubricants or sewage from holding tanks on your boat that occurs during the period of insurance within New Zealand's geographical limits.

Limits

We'll pay up to \$500,000 for any one or a series of discharges, releases or escapes arising out of the same event. We'll also pay legal expenses incurred by you with our approval in defending such claims.

Exclusions

There is no cover under this benefit for liability arising from or in connection with:

1. your own recklessness, deliberate actions or misconduct
2. the recklessness, deliberate actions or misconduct of any person in possession of your boat with your permission

3. fuel or lubricants not being used in connection with the operation of your boat at the time of the loss
4. fines, punitive, aggravated or exemplary damages.

Marina liability

We'll cover you for legal liability imposed on you by the terms and conditions of a lease or agreement with you for the provision of a berth or storage facility for your boat that occurs during the period of insurance within New Zealand's geographical limits arising from your boat.

Limits

We'll pay up to \$5,000,000 in total for liability protection during the period of insurance.

If you have liability cover with us under any other policy, then we'll only pay under one policy for each event.

There is no cover under this section if the liability that you've agreed to under the terms and conditions of that lease or agreement is liability for loss or damage that the law would not have held you responsible.

Water-skiing

We'll cover you for your legal liability for:

1. death or injury to a water skier being towed by your boat
2. death or injury to any person caused by a water skier who is being towed by your boat
3. property damage caused by a water skier who is being towed by your boat

which occurs during the period of insurance within New Zealand's geographical limits.

Water-skiing also means wake-boarding and aquaplaning activities. It does not include any towing of any persons or objects in the air.

This cover includes any person using your boat with your permission for water-skiing so long as that person:

1. complies with the terms and conditions of this policy
2. was not insured for legal liability under another policy.

Limits

We'll pay up to:

1. \$100,000 per event for death or injury
2. \$5,000,000 per event for property damage.

You must be using only recognised and commercially manufactured water-ski (or bare-foot water-ski) equipment.

This cover only applies if you have a person on board your boat competently observing the water skiing activities. This person must be in addition to the person in control of your boat at the time of any incident giving rise to a claim and both people must be acting in accordance with any legal requirements.

Section 3: Accidental death or Injury to you

Your policy also covers you for the benefits listed below.

The most we'll pay is the maximum amount detailed in each benefit and we pay these benefits in addition to any other benefit payable under this policy.

Accidental death and funeral expenses

We'll pay a lump sum to your estate and funeral expenses if you die as a result of an accident while using your boat during the period of insurance within New Zealand's geographical limits.

Limits

We'll pay:

1. \$5,000 for each insured person up to a maximum of \$10,000 paid to your estate, or your husband, wife or de facto partner's estate, if you die from that injury.
2. \$5,000 for funeral expenses if you die from that injury.

Death must occur within 12 calendar months of the accident.

Exclusion

There is no cover for self-inflicted death, including suicide or attempted suicide.

Permanent injury

We'll pay a lump sum if you suffer a listed permanent injury while using your boat during the period of insurance within New Zealand's geographical limits.

Limits

We'll pay:

1. \$5,000 for each insured person up to a maximum of \$10,000 during the period of insurance for a permanent and total loss

of sight of an eye or permanent and total loss of the use of a limb from that injury.

2. \$1,000 for each insured person up to a maximum of \$2,000 during the period of insurance for the permanent and total loss of the use of the thumb or index finger from that injury.

Before we pay you must obtain medical attention from a medical practitioner and undergo any medical examination as requested by us.

Permanent injury or total loss of the use of a limb must occur within 12 calendar months of the accident.

Exclusion

There is no cover for self-inflicted injury.

What you're not covered for

These are your policy exclusions. They apply to all sections.

Your policy does not cover liability for:

1. ACC personal injury

bodily injury to you or any person in charge of your boat other than the cover under *Section 3: Death or Injury to you on page 24*.
4. Damage caused when towing your boat
 - a. when your boat is attached to or when it becomes accidentally detached from a moving motor vehicle, other than during launching or hauling out of your boat from the water (because your car insurance policy provides liability cover for these situations).
 - b. when your boat is being transported by a professional road haulage company (because the road haulage company's insurance should cover this) unless we've agreed to it and it is noted on your certificate of insurance.
5. Death or bodily injury to any employee
death or bodily injury to any person who is employed or contracted in the operation of your boat or should have been covered by Accident Compensation Act 2001, or any amendment or replacement Act.
6. Defence costs

9. Hire or lease
any boat that you're chartering or leasing.
10. Incurred by other parties

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event that results in a claim. Where loss has been caused on multiple occasions or events, an excess will apply for each occasion or event.

Unless the benefit being claimed says it's excess-free you'll need to pay your excess.

Additional excesses may apply:

1. for theft of trailered power boats and personal watercraft
2. for racing based on the value of your boat and length of race
3. if you make a claim for loss to your boat while it was under the care or control of a person who is under 25 years of age
4. for trailerable boats temporarily moored if the loss is for submersion
5. when an additional underwriting excess has been applied.

Your excess and any additional excesses that apply are detailed in this policy wording and on your certificate of insurance.

Dismantling, diagnosis and reassembly costs

Where you make a claim for loss to your boat, we may in some circumstances require you to:

1. dismantle your boat, or
 2. authorise us to dismantle your boat,
- so we can assess your claim for the loss and/or decide if it is valid.

If you do not agree we may refuse to assess or pay your claim.

Where we determine that the claimed loss to your boat is:

1. not covered by your policy, you will be responsible for the costs of the above dismantling. This includes but is not limited to any diagnosis, reassembly, repair and/or replacement costs.
2. covered by your policy, we will settle your claim subject to the terms and conditions of your policy.

How we'll settle your claim

We'll settle your claim for loss following the process set out below.

For repairs

If we decide to repair your boat, we have the option to:

1. arrange the repair, or
2. pay you an amount equal to the reasonable cost of repairs as assessed by us.

The most we'll pay is the least of:

- a. the cost of repairs,
- b. the market value at the time of the loss, or
- c. the sum insured on your certificate of insurance.

Any repair undertaken will be to a standard as near as possible to its appearance and condition immediately prior to the claimed loss or damage.

We may take into account reasonable depreciation based on criteria like age, lifespan, usage and condition in settling your claim. If we do, we'll utilise expert opinion and we'll inform you how this is calculated.

Where the loss is to your boat motor and that motor is five years old or less, we'll pay for the costs of new mechanical and electrical components. We will not make any deduction for wear and tear, and depreciation. The most we will pay is the market value of your motor. Where that motor is over five years old, we will make deduction for wear and tear, and depreciation.

We'll also pay the current value for loss to any insured recreational equipment and boat trailer up to the maximum amount shown for these on your certificate of insurance.

If your boat is repairable, and you've decided to go to a repairer who is not part of our recommended repairer network, then we may choose Option 2 above.

In the case of partial loss to your boat we'll automatically reinstate your boat sum insured to its pre-loss cover value after we meet any claim and repairs have been completed.

For a total loss

If we decide your boat is a total loss:

1. we'll pay you the lesser of the market value or the sum insured for your boat at the time of the loss, and the current value for any insured recreational equipment and boat trailer, up to the maximum amount for these shown on your certificate of insurance.
2. we'll replace your boat if it fits within the terms described in the benefit **New boat replacement on page 14**, otherwise, we'll pay you the market value or the sum insured under 1. above.
3. your boat, including its insured recreational equipment and boat trailer, will become our property.
4. your policy will be automatically cancelled.

In all cases:

We have the option whether to make a payment or repair your insured items.

If there are any undamaged items that are a part of a set of items, we'll firstly try to match them and if that is not possible, we'll pay for the nearest equivalent available.

We'll use a supplier of our choice.

We'll not pay more than the maximum amounts detailed for all benefits in this policy wording or on your certificate of insurance.

We'll pay an interested party (finance company and so on) if we've been notified of their interest in your boat. Their receipt will discharge us to the extent of our payment.

We have the option to use new, recycled or reconditioned parts in any repair. We are not bound to repair or replace your insured items exactly to their previous condition.

We will not cover any loss if you're covered for that same loss or liability to any extent under another policy.

Replacement parts

We'll pay for any part not currently available in New Zealand up to the lesser of:

1. the last known price list in New Zealand when the part was available, or
2. the part's closest New Zealand equivalent.

We'll pay you the equivalent cost to us for a part if you ask us not to replace it.

Limits

Your boat is not covered for:

1. freight and other costs to import parts from outside New Zealand, unless we expressly agree otherwise
2. any costs due to the inability to match existing paint
3. costs to replace any part that has not suffered loss.
